

Declutter Guide

In Feng Shui, each sector of your home represents a major aspect in your life, such as money, relationships, careers etc. Use below guide to help you spot the key areas that need to be cleared, so you can remove those stagnant energy and create some space. **Remember, in order to change your life circumstances, you need to change your energy field around you first.**

♥ LOVE, ROMANCE & RELATIONSHIPS

Clear out the **SOUTHWEST** corner of your home, bedroom, living room, and office. Clutter here can manifest as marriage issues, problem of finding a partner. It can also create stomach & spleen or digestive system related health issues. Females are likely to have problem with regards to belly & womb.

♥ MONEY & WEALTH

Clear out the **SOUTHEAST** corner of your home, bedroom, living room, and office. Clutter here can create issue with wealth accumulation or any kinds of financial difficulties. It can also create problems in the hips, legs and knees as well as liver.

Declutter Guide

♥ FRIENDS, FAME & REPUTATION

Clear out the **SOUTH** corner of your home, bedroom, living room, and office. Clutter here can create problems with friends, social contacts, as well as health problems with vision and heart. Brighten and lighten this area up and create open space.

♥ HEALTH & FAMILY RELATIONSHIPS

Clear out the **EAST** corner of your home, bedroom, living room, and office. Problems here result in difficulties with family members, tension in the house. Health wise, you are likely to have liver problems or issues with your foot. You might also feel stuck and lack of motivation to move forward.

♥ CAREER & BUSINESS OPPORTUNITIES

Clear out the **NORTH** corner of your home, bedroom, living room, desk and office. Clutter in this area creates problems with kidneys, reproductive organs and ears. An open space helps to create flow for the water energy here that brings career and business opportunities.

Declutter Guide

♥ CHILDREN, CREATIVITY, PROJECTS TO FLOURISH

Clear out the **WEST** corner of your home, bedroom, living room, and office to watch projects come to fruition. When your home is cluttered in this area, it can create problems with children, lung, or issues around the mouth and teeth.

♥ KNOWLEDGE, PERSONAL GROWTH & SPIRITUALITY

Clear out the **NORTHEAST** corner of your home, bedroom, living room, and office. When this part of your home is cluttered, it is hard for you to gain clarity on your path, make sound decisions. It can also affect your hands, your digestive systems as well as stomach & spleen.

♥ TRAVEL, MENTORS, HELPFUL PEOPLE

Clear out the **NORTHWEST** corner of your home, bedroom, living room, and office. Clutter in this area creates problems with men or the 'male of the house'. It also prevents the opportunity of 'helpful people and mentors from entering into your life. Health wise, you might encounter issues with the lung or colon as well as head-related issues, such as headaches.

GRACE NIU

Grace is an Accredited Feng Shui Consultant by the International Association of Feng Shui Consultants (AFSC). She is a gifted Intuitive mentor, teacher, speaker and Destiny coach, who created the heart-centred business Feng Shui Serenity after following her own intuition away from a successful 15-year career in media to explore her life.

She is of Chinese heritage and is passionate about practising authentic Feng Shui from the source.

Since establishing her successful business Feng Shui Serenity five years ago, Grace has been practising full time and has consulted on more than 500 homes and businesses, producing astounding results. She helps her clients achieve their dreams by tapping into the Heaven & Earth energy, bringing harmony to their lives and maximising their prosperity.

She is respected and trusted by her clients in Australia and around the world. Grace takes a balanced approach between practical implementation and the spiritual dynamic.

For more information, check out her Professional Bio and the unique community she has built.
